It's great fun to try vacationing when glistening white snow transforms the countryside to a winter wonderland. The crisp, dry mountain air will bring

a keen zest for vibrant living in everything you do. And you'll find real contentment in the cozy environment of The Nevele Country Club.

The moment you arrive, you know you'll feel at home in the friendly atmosphere as you join the care-free company of congenial folks.

Steam heated guest rooms, tastefully furnished, invite deep repose. There are many rooms with private or adjoining baths or showers. A pleasant service always awaits your bidding.

The best is in store for you always . . . during the Wintertime or during the Spring, Fall and Summer.

At The Nevele, that treasured sense of well-being is reflected everywhere. Comforts are as you like them in the Main House as well as in the Rustic Hunting Lodge, the cozy Winter Lodge and Hickory House. They are modern in every detail. In each lounge, a cheerful open fireplace greets you.

For your evening pleasure, Broadway entertainers grace the spotlight. There are sparkling stage productions . . . and top motion pictures. Dancing to two grand orchestras . . . and rhumba instructions, if you desire. You'll like the intimate atmosphere of our Cocktail Lounge for convivial moments.

You'll have a hearty appetite . . . and we're ready for it. Dining is important at The Nevele . . . and every course is served under the critical eye of a master chef.

Come and get your share of happiness the Nevele way. Your early reservations are suggested.

You'll reach out over the 300 acres of The Nevele private estate . . . and gather in delightful hours of memorable diversions. There'll be thrill upon thrill . . . as an ever-changing round of snow sports greets you. Skating over the crystal surface of our private 20 acre lake. Snow shoeing and sleighing parties under the sun and under the stars. Ski-joring to the rhythm of prancing steeds.

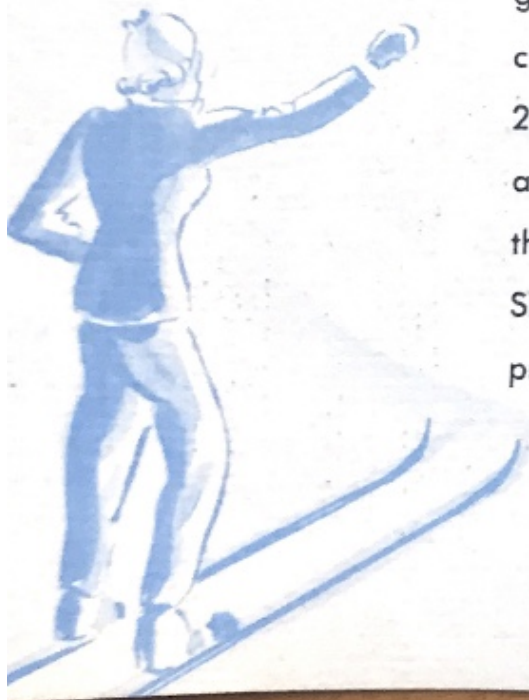

When skiing stirs your adventurous spirit, you'll discover ski trails that wind through picturesque woodlands. There are gentle practise grades and steep hills for the expert. If you're a horse-back riding or hiking enthusiast, alluring paths will beckon, too.

And blissful periods of complete relaxation. The glowing warmth of a blazing hearth fire. The beneficial rays of a friendly sun in our Sun Room and on our open air Sun Deck.
